About VJTI:

The Veermata Jijabai Technological Institute (VJTI) was founded in 1887. The institute is reputed for its excellence in technical education. Presently 72 Research Scholars are pursuing research under various faculty. The Production Engineering Department has been recently accredited by NBA for 5 years.

About IIE:

The Indian Institution of Industrial Engineering was founded in 1957 as a non-profit organization and a registered Society for propagating the profession of Industrial Engineering. It is dedicated to the advancement of Industrial Engineering education and practice and to the application of such scientific knowledge for development of industry and society.

Objectives of Doctoral Consortium:

- To provide helpful guidance on students' current research and future research directions.
- To promote a spirit of collaborative research and develop a community of scholars that will help PhD students in their future careers.
- To contribute positively to the propagation of Industrial Engineering through interaction with other researchers.
- To provide valuable feedback on research plans and methods.
