Notice for Summer Term – 2015

All the students of first year, second year, third year and Final B.Tech. programmes who were not able to pass odd semester courses during November 2014 regular examination / January 2015 re-examination or earlier odd semester examination and / or even semester courses during April 2015 regular examination / May 2015 re-examination, or earlier examination and are desirous of enrolling for the summer term 2015 are instructed to fill and submit the applications complete in all respects to the respective department office and for Semester I and II to Prof Sujatha P., First Year B.Tech. In-Charge and Head, Chemistry Department, on or before May 27, 2015. Pre-printed applications are available from department office, First Year In-Charge, examination section or can be downloaded from institute website.

The students who register for the summer term will be governed by following rules:

- Summer term will be conducted for selected courses where faculty is available and agrees to conduct the summer term course.
- Summer term is only for those candidates who have previously registered for a regular term and have obtained an II or FF grade.
- In summer term a candidate can enroll for a maximum of four courses only across all semesters. In any case maximum limit of courses will not be increased.
- Students must give priority to courses of lower semester and shall register for higher semester courses only if all courses of lower semester in which they have failed are opted.
- Courses will be offered in class room teaching mode only if ten or more students register for the course and a faculty agrees to conduct in classroom mode.
- The courses with less than ten students will be offered only in self-study mode. Course instructor will be available for the guidance, scheduling of the syllabus throughout the summer term and evaluation of the student as per scheme.
- Evaluation will carried out as per approved scheme for the individual courses.
- If the student fails in the course in summer term, the student can avail two more attempts to pass as and when the course is offered.

Summer Term is as follows:
End of term: July 3, 2015  ESE: July 6, 2015 to July 17, 2015
